Special Conditions Applicable to Cheques

First Amount Payable Applicable to Theft of Cheques

Any loss or series of losses attributable to one original event which is payable under this section and which results from the theft of any cheque or cheques shall be reduced by the first amount payable as stated in the schedule unless:

1. Cheques drawn by the insured

- (a) the cheque has been drawn and crossed exactly in accordance with the undermentioned "Recommended procedure for drawing and crossing of cheques" or any other superior method approved by the company and the printed portion of the cheque (as opposed to the written or typed portion) has been printed by the bank itself or a printer licensed to print cheques by the Automatic Clearing Bureau

or

- (b) the cheque has been dispatched to the payee by certified post or any post where the security is equal or superior to certified post

2. Cheques drawn by someone other than the insured and which were received by the insured by post or directly by the cashier

- (a) such cheque has been crossed and marked "not negotiable" and marked "not transferable" immediately on receipt thereof by the insured

and

- (b) the Insured is able to identify the drawer and amount of the cheque from their records

3. Cheques of which the insured is the true owner which were drawn by someone other than the insured and posted to the insured but not received

- (a) the cheque has been drawn and crossed exactly in accordance with the undermentioned "Recommended procedure for drawing and crossing of cheques" or any other superior method approved by the company

or

- (b) the cheque was dispatched to the insured by certified post or any post where security is equal or superior to certified post.

or

- (c) the invoice of the insured (to which the payment by cheque relates) contains a message (approved by the company) recommending or requiring that the cheque be drawn in accordance with the undermentioned "Recommended procedure for drawing and crossing of cheques".

Recommended procedure for drawing and crossing of cheques and printing of blank cheques

A. Drawing and crossing of cheques

One of the safest methods of drawing and crossing a cheque which is acceptable to banks is as noted hereunder. This method is recommended by the Company.

1. Delete the pre-printed words "or bearer". This limits the possibility of the drawee bank paying out to a bearer who might not be entitled to payment.
2. If instead of "or bearer" your cheque has pre-printed on it "or order" these words must also be deleted.
3. Write on the face of the cheque the words "not transferable".
4. Cross the cheque by drawing two parallel lines across the cheque.
5. Write the words "not negotiable" between the two parallel lines referred to in 4 above.
6. Ensure that the payee is accurately, properly and fully described. For example where the payee is a company, its full name should be used: RH Jones (Pty) Ltd not just RH Jones Where the bank account number or CC number of the payee is known this should be included after the name of the payee, for example, "RH Jones (Pty) Ltd, Co no: 69/123456" or "RH Jones (Pty) Ltd ABC Bank account no: 123456789".

Whilst highly recommended it is not compulsory to use the bank account number of the payee.

7. In drawing the cheque no spaces should be left which would allow anyone to add extra words or figures.
8. An example of this method of drawing a cheque is attached as Annexure A.
9. On the front of the cheque the wording listed in Annexure B (*last page of this section*) should be printed. Please ensure that space is left on the rear of the cheque for bank stamps and endorsements.
10. All the markings on a cheque should be legible and clearly visible. Persons drawing cheques should not use abbreviated or different versions of the terminology used in the example. The words "not neg" and a crossing using a rubber stamp containing a rectangle rather than two parallel lines are worthless.
11. The method used to complete cheques should be one which makes an ink impression on the paper, like handwriting, a typewriter or a dot matrix printer. The ribbon used on the printer/typewriter should be of the type which impregnates the paper with ink.

Do not use:

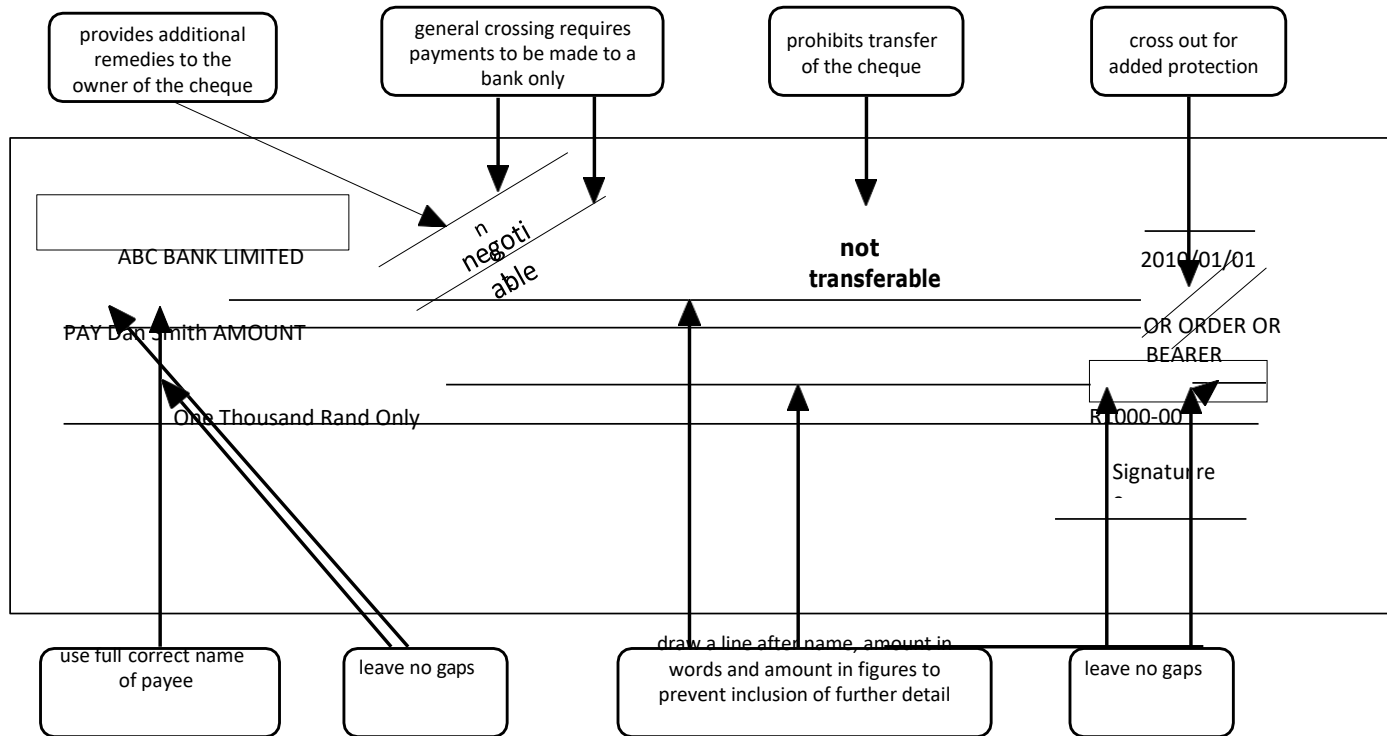

- (i) old ribbons
- (ii) laser printers which do not make an impression into the paper
- (iii) the "reverse printing technique"
- (iv) correctable type ribbons.

B. Printing of blank cheques

Blank cheques should only be printed by the Bank itself or a printer licensed by the Automatic Clearing Bureau. These printers know the recommended requirements of banks and should only use approved:

- (i) security paper (CBS1 or superior)
- (ii) security designs
- (iii) special security inks compatible with the security paper/design
- (iv) methods which make it difficult for anyone to make a supply of blank cheques by photocopying the originals.

ANNEXURE A - RECOMMENDED CHEQUE

ANNEXURE B - RECOMMENDED CHEQUE

Warning to be printed on bottom left front of cheque - leave enough space for bank stamps etc.

WARNING

To person encasing this cheque or receiving it in exchange for any consideration.
Where a cheque has been stolen from or lost by the true owner, you may be liable to reimburse him for his loss if you encase such cheque or receive it in exchange for any consideration. (Section 81 of the Bills of Exchange Act, 1964)

NB This cheque is crossed and marked "not negotiable" and "not transferable"

- (A) In cases where the new property insured is totally lost or destroyed, the basis of indemnification shall be the cost of replacing or reinstating on the same site new property of equal performance and/or capacity or, if such be impossible, its replacement by new property having the nearest equivalent performance and/or capacity to the property lost or damaged

Provided always that:

- (i) the work of replacement or reinstatement (which may be carried out upon another site and in any manner suitable to the requirements of the insured, subject to the liability of the Company not being thereby increased) must be commenced and carried out with reasonable dispatch otherwise no payment exceeding the market value of the property insured immediately before the damage shall be made
- (ii) until expenditure has been incurred by the insured in replacing or reinstating the property insured, the company shall not be liable for any payment in excess of the amount which would have been payable if these conditions had not been incorporated herein
- (iii) these conditions shall be without force or effect if:

Average

In respect of (1) and (2) above, if at the time of repair, replacement or reinstatement, the sum representing the cost which would have been incurred in repair, replacement or reinstatement if the whole of the property insured had been lost or damaged exceeds the sum insured thereon at the time of any loss of or damage to such property, then the insured shall be considered as being their own insurer for the difference and shall bear a ratable proportion of the loss or damage accordingly. No Claim Rebate Provisions (applicable to specified vehicle basis)

The policy schedule reflects the Claim Free Group of each vehicle. These are awarded based on the number of claims made or arising for the particular vehicle during the preceding periods of insurance.

The renewal premium is then based on the revised Claim Free Group according to the following explanation:

- Claim Free Groups range from 0 to 6 for vehicle definitions (a) and (c) with 6 having the lowest and 0 having the highest premium. For vehicle definitions (b) and (d) the Claim Free Groups range from 0 to 4.
- As an example, a Claim Free Group 3 would be awarded to a vehicle that has been claim free for the preceding 3 years and a 6 for a vehicle that has been claim free for the preceding 6 years.
- Each claim made or arising in a period of insurance will result in the Claim Free Group reducing by 2 at the next renewal. As an example, if a vehicle with a Claim Free Group 5 has a claim during the period of insurance this will result in a Claim Free Group 3 at the next renewal. If the same vehicle with a Claim Free Group 5 has 2 claims during the period of insurance the Claim Free Group will reduce to 1 at the next renewal.
